Employment

- Assistant Professor of Economics, School of Economics, Zhejiang University, Jul. 2026 – Present
 - Assistant Professor, School of Economics, Shandong University, Sep. 2023 – Jun. 2026
-

Education

- Ph.D., Economics, University of Texas at Austin, May 2023
– Advisor: Daniel Akerberg
 - M.S., Economics, University of Texas at Austin, May 2019
 - M.A., Economics, University of Texas at Austin, May 2017
 - B.A., Finance, Shanghai Lixin University of Accounting and Finance, September 2016
-

Research Interests

Empirical Industrial Organization; Structural Econometrics; Applied Econometrics;
Production Function Estimation; Productivity

Research

Working Papers

Identification of Gross Output Production Functions with Nonseparable Productivity

R&R, The Review of Economic Studies

Nonparametric Identification Using Timing and Information Set Assumptions with an Application to Non-Hicks Neutral Productivity Shocks, with Daniel Akerberg and Jinyong Hahn

R&R, RAND Journal of Economics

Beyond Labor Augmentation: Identifying the Bias of Technical Change, with Daniel Akerberg

Markups, Marginal Costs, and Returns to Scale from Financial Statements

Draft available upon request

Tracking Down the Unobserved Prices: A Constrained GMM Approach to Production Function Estimation, with Daniel Akerberg

New draft coming soon; slides available upon request

The Identification Power of μ -Strong Concavity Assumptions and Sensitivity Analyses

Draft available upon request

Work in Progress

From Revenue to Production: Identification and Estimation, with Vincent Mastantuno and Lixue Zhou

Shape-Restricted Production Functions: An Application to Allocative Efficiency, with Daniel Akerberg

Referee Service

- *RAND Journal of Economics* (3 reports); *International Journal of Industrial Organization*
-

Grants, Awards, and Fellowships

- Youth Program of the Shandong Provincial Natural Science Foundation, 2025–2027
 - Econometric Society World Congress Financial Award, 2024–2025
 - University of Texas Summer Fellowship, 2022–2023
 - University of Texas Collaborative Research Fellowship, 2021–2022
-

Presentations

Invited Seminars

- Western University (2023), McGill University (2023), University of Manchester (2023), Charles River Associates (2023), Peking University-Guanghua School of Management (2025), Peking University-PHBS (2025), Shanghai University of Economics and Finance (2025), Zhejiang University (2025), Hong Kong University of Science and Technology (2026)

Conferences

- Texas Econometrics Camp (2023), Shandong University Summer Econometrics Conference (2024), Hong Kong University Firm and Industry Dynamics Workshop (2025), Econometric Society World Congress (2025), SUFE IO Conference (2026), EARIE (2026)
-

Teaching Experience

Zhejiang University, Instructor

- Econometrics (Master's): 2025–2026

Shandong University, Instructor

- Econometrics I (Undergraduate): 2024, 2025
- Econometrics II (Undergraduate): 2025

University of Texas at Austin, Teaching Assistant (2017–2022)

- Ph.D.: Econometrics II; Structural Econometrics
 - M.A.: Econometrics; Probability and Statistics; Real Analysis; International Economics
 - Undergraduate: Comparative Economic Systems; Micro Theory for Business; Introduction to Econometrics
-

Additional Information

Languages: English (fluent), Chinese (native)

Software: Python, LaTeX, Stata
